

HEC(H-EliteClear)

High-performance TPU material, engineered with advanced Polyoptico™ coating technology, offers exceptional stain resistance and protective capabilities. Whether in daily driving or harsh environments, HEC(H-EliteClear) can provide comprehensive protection for your car.

H-Elite Series

CATEGORY	VALUE	CATEGORY	VALUE
Top Coating	Polyoptico™	Film Thickness	7.5 mil
60°Surface Gloss	94 GU	Hydrophobic Angle	95°
Elongation at Break (ASTMD-882)	310%	Tensile Strength (ASTMD-882)	32 MPa
Tear Strength (ASTMD-882)	76 kN/m	Initial Peel Adhesion (ASTMD-882)	24 N/in
Aging Resistance (UV Test:6000H)	Pass	Chemical Resistance (Acid Test)	Pass
Impact Test (SAE J400)	Pass	Warranty	10 Years
Healing Performance	Thermal Self-Healing	Stain Resistance	★★★★★
Easy Installtion	★★★★★	Optical Clarity	★★★★★
